Teaching Division

Affiliated Teaching Master

The MBAO Teaching Division is our largest division, dedicated to instructing the game of 5 Pin Bowling, mainly with the youth bowlers or the Youth Bowling Canada (YBC), but our members also instruct others as well.

This Teaching Division is mainly for the player who wants to enjoy tournament play without too much pressure, and not necessarily will they have a high average. The Pins-Over-Average (POA) formats of our events provide the opportunity for all levels of player to enjoy the competition and have a chance at winning the event, while our scratch component of the Optional Tournaments allow the higher average teaching members to put their skills to the test. Teaching Division members are required to adhere to the MBAO official dress code outlined on page 3 of this booklet. The MBAO official uniform shirt must be worn for the Master Junior and Master Bantam tournaments. As well, all Members must adhere to the code of conduct in showing good sportsmanship, maintaining control of language and physical gestures and always speaking in a positive way about our game and bowling establishments. New teaching members are urged to apply early for membership and to place their order for uniforms as soon as possible.

Most of our members have taken the new NCCP Training for 5 Pin Bowling and have achieved at least the community coach level. Courses are offered throughout the year for you to complete, and improve your coaching skills and knowledge of the game. Our association recommends and encourages our members to take the Community Coaching course for 5 Pin Bowling, to ensure that our Teaching Members use a uniform method of instructing our game.

Teaching Masters are sponsored and approved by their local Bowling Centre Proprietor by obtaining a signed membership application or renewal. This affiliates the member to a bowling centre where they will work with the YBC or other groups, and participate in the two (2) MBAO youth events we hold (i.e. Master Junior and Master Bantam). New members must supply all adult average sheets from the previous bowling season in order to establish a fair average to play in the MBAO events.

The Teaching Division is offered multiple tournament events throughout the bowling season with the Master Junior and Master Bantam tournaments as the two mandatory events that all members must play in as an affiliated member. Tournaments in the Teaching Division are mainly based on Pins-Over-Average (POA); however, the MBAO will also be offering our members the opportunity to play a scratch side on the three (3) Optional Tournaments. Players must register to compete in the POA event. If they choose to pay the extra prize money portion, they can compete on both sides of the event and be eligible to win prize money on both sides. MBAO Tournament Rings will be awarded only on the Pins-Over-Average (POA) basis.

To be on the National Teaching Division teams, players must play in at least 28 games during the season with participation in mandatory compulsory events. Our members who attain the top five (5) positions in the province over the course of the current bowling season based on a Pins-Over-Average (POA) total for both Ladies and Men will be qualified on these teams. Events that Affiliated Teaching Masters must attend to be considered for the National Team are:

Optional Events for Aggregate -

Western Ontario	6 games
Central Ontario	6 games
New Year's Classic	6 games
Eastern Ontario	6 games

Compulsory Events -

Master Junior	3 games
Master Bantam	3 games
Mid-Winter Blues	6 games
Year-End	10 games

Affiliated Teaching Masters will count their best 3 blocks of 6 games plus the Year-End event for the aggregate (based on 28 games). An Affiliated Teaching Master must play in the Master Junior, Master Bantam and the Mid-Winter Blues event in order to keep their aggregate eligibility for the National Team.

Affiliated Teaching Masters who play in more than one (1) Optional Event will be allowed to drop the lowest POA total from any other Optional Event or the combined POA total for the Master Junior and Master Bantam Tournaments. The lowest POA total will be dropped automatically to calculate the aggregate total as the season progresses.

Affiliated Teaching Masters are also allowed to play in the Special Olympics Ontario and the Master Senior tournament. They may also fill-the-field in any two (2) Tournament Division events (except the Year-End Tournament) if they would like to experience an event in this elite division.

NOTE A \$40.00 no-show fee will be applied for Affiliated Teaching Masters who do not participate the Master Junior or Master Bantam events. This no-show fee goes towards the prize money and costs for medals for each of these events. Unaffiliated Teaching Masters have paid for this prize money with their higher registration fees**

Unaffiliated Teaching Master

For the bowler who cannot commit time to their local bowling centre, due to other commitments, the Unaffiliated Teaching Division Membership may be a good option.

Players who register as an "Unaffiliated" member for the Teaching Division do not seek approval from a local proprietor but will register directly with the Master Bowlers Association of Ontario (MBAO). The MBAO Board Executive Committee will review and approve the membership request or if denied an explanation will be given back to the applicant. "Unaffiliated" Teaching Masters are required to adhere to the official MBAO dress code outlined on page 3. As well, all Members must adhere to the code of conduct in showing good sportsmanship, maintaining control of language and physical gestures and always speaking in a positive way about our game and bowling establishments

Players must register to compete in the POA event. If they choose to pay the extra prize money portion, they can compete on both sides of the event and be eligible to win prize money on both sides. MBAO Tournament Rings will be awarded only to the Pins-Over-Average (POA) winner.

To be on the National Teaching Division teams, players must play in at least 28 games during the season with participation in mandatory compulsory events. Our members who attain the top five (5) positions in the province over the course of the current bowling season based on a Pins-Over-Average (POA) total for both Ladies and Men will be qualified members of these teams. The Tournament Division events are either eight (8) or twelve (12) games in length, with the Year-End Tournament being a twelve (12) game Petersen Point match play event. Competition is on a scratch basis only and the field is cut down after the qualifying round to continue in a variety of match play formats to declare the tournament winner for both the ladies and men divisions. Winners receive a MBOA Tournament Ring. All Tournament Division members are obligated to pay the no-show fee (\$50.00) for each compulsory event they do not compete in.

National Championships. The next five (5) males and next five (5) females will form the Men's and Ladies' teams.

Seniors Division

Our Seniors Division is open to anyone fifty (50) years of age as of December 31st of the current season. The Seniors play in four (4) events throughout the bowling season with each event consisting of five (5) games.

Seniors play in a Pins-Over-Average (POA) category, a Scratch category or they may pay the extra prize money and play in both sides of the event.

The same rules of conduct apply to our Seniors as in all other MBAO divisions and members must adhere to the MBAO dress code outlined on page 3.

We also declare a National Team for our Seniors who play a Pins-Over-Average (POA) tournament at the National Championships. To qualify for the National Team, Seniors Members must participate in at least three (3) of the four (4) events. If a member plays in all four (4), then the lowest POA total and the lowest Scratch total of the four (4) events will be dropped to calculate the aggregate totals.

National Team members are selected as the man and lady who has the highest aggregate total Pins-Over-Average (POA) and the man and lady who have the highest aggregate scratch scores in three (3) of the four (4) events. A 5th player is added as the wild card player and it is the 2nd place person in one of the categories based on an agreed schedule voted on by the players of the Seniors Division.

A full paying Seniors member is allowed to bowl in the four (4) Senior tournaments, the Master Junior and the Master Bantam. They may also fill-the-field in two tournament division events (excluding the Year-End tournament). A "Senior Only" member can only bowl on the Seniors Tour. Members receive an award recognizing any tournament victories and aggregates as well as top prize money. Senior tour victories are included separately in the MBAO history along with the Tournament and Teaching Division winners. A ring has been designed for the Seniors Division, and the winners of an event may choose to purchase one. They may accept the usual trophy award or use the cost of it towards the purchase of a ring. Any Seniors member may purchase a ring for previous victories.

Graduating YBC Seniors

The MBAO will offer a one (1) year free membership to any YBC graduate who joins the MBAO in the September immediately following their graduating year. This means that the YBC Senior will not have to pay the initiation fee or registration fee for their first year membership in the Association. **IF THEY JOIN THE YEAR AFTER THEIR GRADUATING YEAR, THEY WILL BE REQUIRED TO PAY THE FULL MEMBERSHIP DUES.** All graduating YBC Seniors must submit all average sheets (including adult leagues) with their application form. Failure to provide proof of average will result in the average calculation being defaulted at 230 for men and 215 for ladies.

YBC Seniors will be required to pay for the following:

1. Purchase the "Official" MBAO shirt if they are affiliated with a bowling centre or a MBAO logoed golf shirt if they want to register as an unaffiliated member.
2. "Unaffiliated" membership costs plus the cost of an MBAO Golf Shirt. Note: The MBAO encourages all YBC Seniors to participate in a local YBC Program to assist in the instruction of other YBC members and assist your local bowling centre and/or proprietor thus registering with the MBAO as an "Affiliated" Teaching Master.

All graduating YBC Seniors entering the MBAO must adhere to the official MBAO dress code outlined on page 3. Also, the MBAO has a rule of conduct that everyone (including graduating YBC Seniors) is required to follow. This includes maintaining control of language and physical gestures and always speaking in a positive way about our game and bowling establishments.
